Vision

To attain excellence in imparting Technical Education to females.

Mission

To provide sustainable quality technical education, training and an invigorating environment to young

From the principal desk

I welcome you to an institute where the people feel proud to be a part of it. It is Government Mahila Engineering College, Ajmer where the Education is imparted to its pupil in such a way to make it an inherit part of their life instead of making it a mere tool for survival of the life.

Vision

To attain excellence in imparting Technical Education to females.

Mission

To provide sustainable quality technical education, training and an invigorating environment to young aspirants to promote creativity and stimulate innovative thought process in the students to mould them to meet the growing challenges of the industry and diverse societal needs which will lead to build a powerful and healthy nation.

1. To impart technical knowledge and infuse a sense of enthusiasm among students to design, create and invent -who possess a knack to design create and develop products and services which will cater to the needs of future generations thereby leading to sustainable development.

2. To promote women technocrats to make a meaningful contribution by creating a pool of talented human resource - who are capable enough to resolve the problems faced by the country using the knowledge imparted, talent inculcated and the research which we do.
