These guidelines will be applicable to all teachers, officers, non-teaching staff, persons working in the college who are employees of contractor and employees-

1. Official working hours are from 9:00 AM to 4:00 PM and ensuring presence during these hours is the sole responsibility of each employee.
2. The biometric attendance system will operate from 8:45 AM to 4:30 PM daily.
3. All teachers, officers, employees, guest faculty, persons working in the college who are employees of contractor etc. of the college will mark their attendance through biometric machine on every working day.

5. Staff must record their biometric attendance within the specified time slots:
Morning Attendance: Between 8:45 AM and 9:30 AM.
Evening Attendance: Between 4.00 PM and 4:30 PM.
6. Attendance recorded before or after the specified time slots (e.g., before 8:45 AM, after 9:30 AM in the morning, or before 4.00 PM, after 4:30 PM in the evening) will count as a missed biometric attendance.
7. If an employee unintentionally fails to mark their biometric attendance. It will be counted as a missed biometric attendance.
8. Every staff member will be granted a concession up to a maximum of 6 times per month for missed biometric attendance. Beyond these 6 missed chances, a Casual Leave (CL) will be deducted for every additional missed biometric attendance.

Example 1:

If a staff member records biometric attendance before 8:45 AM, after 9:30 AM, or misses the biometric entirely in the morning, it will be considered a missed biometric attendance. Similarly, if a staff member records biometric attendance before 4.00 PM, after 4:30 PM, or

misses the biometric entirely in the evening, it will also be considered a missed biometric attendance.

Example 2:

If a staff member has already utilized their 6 allowed missed chances in a month and misses biometric attendance for the 7th time, a Casual Leave (CL) will be deducted for that instance.

Example 3:

If a staff member fails to record biometric attendance both in the morning and evening on the same day, he will be treated on leave and providing information for leave is the sole responsibility of the employee.

]

9. The relaxation in timing or allowance for missed turns is not a permission to arrive late or leave early but rather a considerate measure for unavoidable human factors. It should not be used to form a habit.
10. In case the biometric machine fails to recognize the staff member's biometric data (fingerprint, face, or retina etc.) or in the event of a machine malfunction or power failure, then Staff members must complete the designated **Missed Biometric Attendance Performa/Register** available in the Establishment Office immediately.
