

राजकीय महिला अभियांत्रिकी महाविद्यालय, अजमेर  
**GOVT. WOMEN ENGINEERING COLLEGE, AJMER**

TOUR SUMMARY

We have attended 2 days workshop at IIT Madras on the 12<sup>th</sup> and 13<sup>th</sup> of December, 2014. Permission for the same was taken from the consent authority under TEQIP-II program running in college. The workshop was on system Admin Training on Server installation, classroom setup/utilization, network management and usage of QEEE software and so on. We learned how to establish live class room to run QEEE program properly in the college and also learned how to configure server in the college. So, it is very beneficial for the college and society.

(Dalpat Songara)

System Admin (QEEE)

(Gurav Gupta)

Coordinator (QEEE)
