

**Write up After attending CSNT 2016**  
**March 05 – 08, 2016**

The International Conference on Communication Systems and Network Technologies (CSNT-2016) is organized by Chitkara University Chandigarh in association with Machine Intelligence Research Labs, Gwalior and with technical support of IEEE Delhi Section to address various issues to prosper the creation of intelligent solutions in future. The aim is to bring together worldwide leading researchers, developers, practitioners and educators interested in advancing the state of the art in computational intelligence and communication Networks for exchanging knowledge that encompasses a broad range of disciplines among various distinct communities. It is expected that researchers will bring new prospect for collaboration across disciplines and gain idea facilitating novel breakthrough. The theme for this conference is Innovating and Inspiring the researchers to adopt the outcome for implementation.

The conference provided an exceptional platform to the researchers to meet and discuss the utmost solutions, scientific results and methods in solving intriguing problems with people that actively involved in these evergreen fields. The 3-day conference, feature prominent keynote speakers, tutorials, Pannel Discussion, Workshops. All accepted and presented papers were submitted to Conference Publishing Services (CPS) for publication in IEEE CPS.
