Notice

In view of the possibility of snakes being sighted within the premises, the following safety measures shall be strictly followed:

1. Keep doors and windows closed, especially at night.
2. Avoid leaving footwear, bags, or clothes on the floor - always check them before use.
3. Use a flashlight when walking outside at night or early morning.
4. Do not walk barefoot in or around the hostel.
5. Dispose of food waste properly to avoid attracting pests that may lure snakes.
6. Inform the warden or hostel staff immediately if you see any suspicious movement or spot a snake.
7. Do not attempt to handle or capture snakes on your own.
8. Do not panic in case of a sighting - remain calm and call for assistance from the hostel staff or security.

This is to inform you all that a trained snake catcher is always on-site in the hostel premises to ensure the safety of all students. The mobile numbers of snake catchers are displayed on hostel notice boards. In case of emergency students must contact to the caretaker and can call the snake catcher.

We urge all students to stay alert and cooperate. Your awareness can ensure the safety of all.

Stay safe and vigilant
