Advisory on Interaction with Outsiders /Strangers, Data Privacy and Cyber Crime Prevention

In view of the increasing threats related to data privacy breaches and cybercrime activities targeting students, all the students residing in hostels are hereby strictly advised to remain vigilant and exercise extreme caution in both their online and offline interactions. Please read and follow the instructions below carefully:

1. Interaction with Outsiders/ Strangers (as already mentioned in the hostel rules)

- Do not engage with strangers, without proper verification or reason.
- Never share personal details, including contact information or hostel address, with unknown individuals.
- Do not accept food, drinks from strangers or any form of intoxicants from anybody under any circumstance. It poses serious health and safety risks.
- Stay away from any lure or manipulation by outsiders/strangers.
- Entry of outsiders into hostel premises is strictly prohibited without prior permission from the warden.

2. General Conduct

- Students are expected to maintain discipline and not involve themselves in any unauthorized activities that may endanger their safety and their own reputation as well as their parents and institute reputation.
- Whenever go on outing you must mention the place of outing in the outing register in hostel and you must inform your parents also about the place of your outing.
- Students must avoid going outside the hostel alone. It is strongly advised to move in groups of 2-3 or more for safety reasons. Not only does this practice enhance personal safety, but it also helps strengthen the bond among peers, fostering a sense of community and mutual support.
- Any student found violating these instructions will face strict disciplinary action as per hostel rules.

3. Data Privacy & Cyber Safety

- Do not share personal information such as your student ID, bank details, passwords, or any sensitive data online or through unknown platforms.
- Avoid clicking on suspicious links, downloading unknown attachments, or responding to phishing emails and messages.
- Enable two-factor authentication on your devices and accounts wherever possible.
- Report any suspicious digital activity immediately to the hostel authorities.

Your safety and well-being are our top priorities. We urge all students to remain vigilant and act responsibly.
